

Son Rock Summer Camp 2009

for School-age Kids!

Hello! My name is Lauren Fox and I am the coordinator for events this summer in the Children's Ministry at First Presbyterian Church. I would like to take a moment and introduce you to our Son Rock Kids Summer Camp.

The theme for our Children's Ministry is "Every child becoming like Christ: loving, knowing, living, growing." We, as a church, take this very seriously and seek to provide a fun and safe summer environment for our children so they can learn and grow in their knowledge of Jesus Christ!

Our events will be open to families outside of our church family, so please invite your friends to come along! We do allow children who are school age to attend camp on their own but children pre-school age or younger must have someone to accompany them when we take our two road trips. This year we have tried to incorporate some evening and Saturday activities. Hope this helps!

Registration is simple. Begin by reading the back of this sheet. It will give you all the information you need to know about each event. Choose the events that you and/or your child can attend and fill out the registration sheet included. Be sure and put a check mark by each event your child can attend. You must also register yourself as a chaperone. Then fill out the bottom if you can help with transportation. On the back of the registration form is your child's health information. This must be filled out and signed properly. One event must be pre-paid; however, the rest are free. If you have multiple children, you may use one or multiple forms. Just make sure that each child is specified on the insurance side.

Please feel free to call me with any questions. My home phone number is 704-263-3106 and my email is familygirl22@hotmail.com.

Please pre-register your child on the internet for VBS. Go to www.groupvbs.com/webtoymax/myvbs/FirstPresStanley for more info and to register.
